**October 2018**

MARK SCHEME

**50 minutes**

Maximum mark: 45

---

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which markers were instructed to award marks. It does not indicate the details of the discussions that took place at a markers' meeting before marking began, which would have considered the acceptability of alternative answers.

Mark schemes should be read in conjunction with the question paper and the Principal Examiner Report for teachers.

Cambridge will not enter into discussions about these mark schemes.
